Adult Numeracy Research

Mary Jane Schmitt and K. Safford-Ramus (eds.)

Donna Curry, Mary Jane Schmitt, and Sally Waldron

Martha Merson and Michele M. Sedor

Building on Foundations for Success: Guidelines for Improving Adult Mathematics Instruction —
Mary Jane Schmitt, M. Manly, L. Ginsburg, K. Chernus, D. Fowler, and D. Gardner

EMPower Mathematics —
Mary Jane Schmitt, Myriam Steinback, Tricia Donovan, and Martha Merson

Implementing the Massachusetts Adult Basic Education Math Standards: Our Research Stories —
Esther Leonelli, Martha Merson, and Mary Jane Schmitt (eds.)
Massachusetts Department of Education (1994) Malden, MA.

Math is Healthy —
Martha Merson
Skills for Chronic Disease Management (2005)

Measurement in Adult Education: Starting with Students’ Understandings —
Myriam Steinback, Mary Jane Schmitt, Martha Merson, and Esther Leonelli ; D. Clements and G. Bright (eds.)

Measuring Adult Developmental Differences Using a Survey Instrument —
James (Jim) Hammerman

Numeracy Conceptual Framework for the International Adult Literacy and Lifeskills (ALL) Survey —
I. Gal, M. van Groenestijn, M. Manly, Mary Jane Schmitt, and D. Tout

Smart Moves: Making Sense of the Math in Environmental Data —
Martha Merson, Selene Gonzalez-Carrillo, Ethan Contini-Field, Meredith Small

The Answer is Still the Same...It Doesn’t Matter How You Got It! —
Mary Jane Schmitt
(2005)

The Components of Numeracy —
Mary Jane Schmitt and Myrna Manly

The EMPower Project: Connecting Curriculum Development and Research —
Mary Jane Schmitt and Martha Merson

The Impact of a Professional Development Model on ABE Teachers’ Instructional Practice: Teachers Investigating Adult Numeracy —

Page: A Conversation Between Researchers and Practitioners: ALM-7 —
M.B. Bingman and Mary Jane Schmitt
*Adult Learning* 19 (2008) (3-4) 27-33

The Inclusion of Numeracy in Adult Basic Education —

Mary Jane Schmitt and Dave Tout

Transparency of Water: A workshop on math, water, and justice —

Selene Gonzalez-Carillo and Martha Merson
— *Rethinking Mathematics, A People’s Curriculum for the Earth*, and in *Rethinking Schools Magazine* (vol 27, #3, Spring 2013).
