Website: [I-ECS](#)

iECS seeks to broaden participation in computing by increasing access for students with visual impairments. [More »](#)

- [Signing High School Science](#) —

Principal Investigator: Judy Vesel

Funder: [National Science Foundation](#)

Website: <http://signsci.terc.edu/index.html>

TERC and Vcom3D are producing a unique set of learning tools that will increase access of high school students who are deaf or hard of hearing to educational content in life and physical science. During this four-year project, the partners will use the SigningAvatar® assistive technology to research and develop two illustrated [More »](#)
