

The

Listening

Lilypad

TERC

Sending rangers on sound quests!

TERC

**Find a spot nearby that is
completely silent.
Can you? What do you still
hear?**

**All rangers hop back and share
at the Listening Lilypad.**

With a partner!

Ranger 1: Walk very fast and listen.

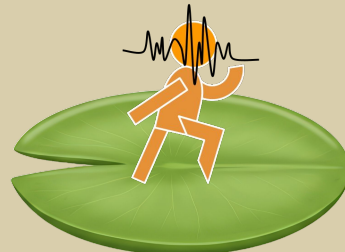

Ranger 2: Walk very slowly and listen.

**All rangers hop back and share at the
Listening Lilypad.**

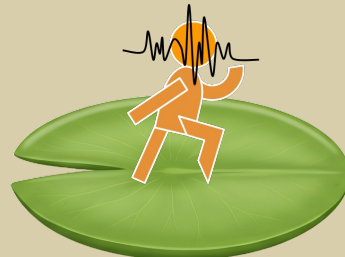

**What is your favorite animal?
What does it sound like?
Can you go find it?**

**All rangers hop back and share
at the Listening Lilypad.**

Stop and smell the flowers!
Find a flower to smell.
Listen to it!

All **rangers** hop back and share
at the **Listening Lilypad.**

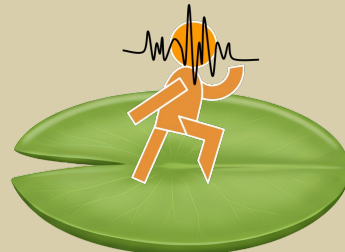

All **rangers** hop back and share
at the **Listening Lilypad**.

Can you find a sound that you
don't like?

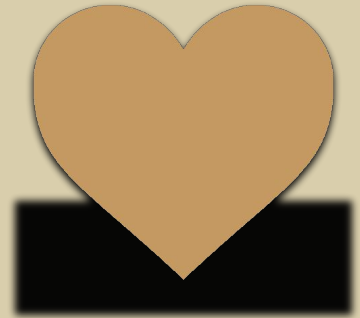

Why don't you like it?

All **rangers** hop back and share
at the **Listening Lilypad**.

Can you find a sound that you
love?

Why do you love it?

All **rangers** hop back and share
at the **Listening Lilypad**.

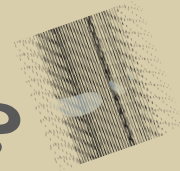

Listening Lilyypad

TERC

Can you find the smallest sound you can?

Is it the tiny bug crawling?
Or the sound of the grass growing?

All **rangers** hop back and share at
the **Listening Lilyypad**.

Listening Lilypad

TERC

Stop and smell the flowers!
Find a flower to smell.

What does it sound like?
Can flowers hear too?

All **rangers** hop back and share at the
Listening Lilypad.

Nonhuman animals spend time
here in the Arboretum too!
Can you find one?

All **rangers** hop back and share
at the **Listening Lilypad**.
